

Dear Sponsor:

Soccer Academy & Training (SAT) invites you to become a sponsor for our 2012-2013 soccer season.

SAT is dedicated to providing a comprehensive soccer program for the youth in the South Florida area. SAT's philosophy is to provide a soccer program that encourages players to build soccer skills, life skills, confidence and character. SAT are dedicated to and understands that the true value of long-term success comes through the development of both technical skills and team play over any individual game result.

Currently, we have over 100 girls and boys that play on our Under 9 through 13 Advanced Development Program (ADP) and we work with more than three hundred soccer players within the Recreational Parkland Soccer Club. All of these players are residents within your business community.

We invite you to partner with us in developing the future leaders of our community. SAT would greatly appreciate your donation. Your donation will assist us in providing financial aid for individual players, providing professional guest coaches and trainers for our players' development, as well as team equipment.

Please make checks payable to Soccer Academy & Training. If your donation is for a particular player, please put their name in the memo field of the check.

If you have any questions regarding donations, please contact Laurie Thomas at 754-368-0158 or via email at info@satsfl.com. You can also visit our website at www.satsfl.com.

Sincerely,

Roger Thomas
Director of Soccer Academy & Training
